

# Junior Sales Coordinator - US Market

## Company Overview

EXAPRO is an online B2B marketplace for used industrial machinery. We help clients from all over the world to choose the right machine for their needs. We attract 300,000 buyers every month and our website is available in 9 languages.

We are a young and dynamic team of 20 professionals from 10 countries, making it fun to trade used machinery. Our people are our best assets, so we are always looking for talented and creative people to make everyone succeed.

## Position Overview

We are looking for a new member to our multinational team! We are an international company selling used industrial machines worldwide currently searching for an employee or internship student (40 hours a week), someone who likes the challenge and can help us with our partners **on the US market**.

## What will you do?

- ◆ Maintain a database of the machines located in USA
- ◆ Be in daily touch with the partners from USA and work on building a business relationship with them
- ◆ Manage requests on your machines
- ◆ Communicate with the buyers, negotiate the conditions of the transaction, finalize the deals
- ◆ Actively seek for new opportunities on the market
- ◆ Hard-working person who is not afraid of a challenge

## What do we expect?

- ◆ Fluent level of English (other languages are a plus)
- ◆ At least a bachelor degree in International Business or Business Studies
- ◆ Passion for working with different cultures
- ◆ Good communication and verbal skills on the phone
- ◆ An interest for the Industry
- ◆ Time to work (afternoon hours) or suitable for at least 6 months internship (40 hours a week)

### Location

Prague, CZ
